NOTICE

August 24, 2018

TO: All Commanding Officers

FROM: Commanding Officer, In-Service Training Division

SUBJECT: SHERMAN BLOCK SUPERVISORY LEADERSHIP INSTITUTE

The Commission on Peace Officer Standards and Training is presenting the Sherman Block Supervisory Leadership Institute (SBSLI). Applications are now being accepted from all front line supervisors for the 2019/2020 fiscal year sessions of the SBSLI.

The Los Angeles Police Department (Department) will be allotted 30 positions. The SBSLI consists of eight separate 24-hour workshops (192 hours total) presented over an eight-month period. **Each participant must attend all eight workshops and are required to stay in residence at the host hotel.**

Designed by law enforcement leaders from throughout the State with assistance from top educators and trainers, SBSLI takes the student from management (planning, organizing and directing) into the realm of leadership (inspiring, challenging and motivating). Key program elements seek to promote the development of attributes such as responsibility, courage, maturity, perception and supportiveness. The training also enhances a leader's personal and interpersonal strengths.

Commanding officers are encouraged to circulate this Notice among Sergeants I, II and Detectives III within their command and nominate interested employees if the training would benefit both the employee and the Department. Detectives II are eligible if they have direct line supervisory responsibilities within their particular assignment. Nominees must have completed a supervisory school and have at least **two** years of experience as a supervisor at the time of application. Commanding officers nominating candidates should be aware that the eight sessions are mandatory. Employees selected will attend sessions scheduled to begin between March 2019 and April 2020. The only acceptable reasons for non-attendance are promotion to lieutenant, military leave and long-term illness/injured on duty. **There are no other acceptable reasons for non-attendance.**

Commanding officers are requested to submit a separate Intradepartmental Correspondence, Form 15.2, for each nomination. The Form 15.2 should include specific information describing the nominee's job function and how the Department will benefit from this training, along with information concerning the nominee that is listed on the next page.
